# IT'S TIME TO THINK BIG, HAVE FUN AND TRY SOMETHING NEW

With over 200 courses packed inside this guide, you choose where and when you learn. From practical classes to online learning there's sure to be a course for you.

## YOU CHOOSE

You can study at one of our campuses or learning centres located across the region. Our part-time courses typically have multiple date and location options.

Alternatively take the distance learning option where courses can be studied at a time and place of your choosing.

Many are fully online (with and without tutor support) whilst some require campus or centre attendance often for assessment purposes only.

## THINGS YOU SHOULD KNOW

### FEES

The College reserves the right to amend fees/prices chargeable without giving prior notice

Fee rates quoted in this guide do not apply in the case of any individual who does not meet residential criteria relating to 'home status'. The basic criteria are that you must be ordinarily resident in Scotland on the start date of the course, have lived in the UK for the last 3 years, and have no restrictions on your right to stay in the UK. Any applicant unable to fulfil these criteria should state this at the time of booking so they can pay the non-subsidised fee rate that applies in these cases.

Applicants who are not entitled to pay 'home' fee rates are advised that they must pay the overseas fee rate to be entitled to take up a place on the course.

The conditions relating to residence are complex and an enquiry in this respect may be referred to the College's Student Advice Centre.

### EXTRA COSTS

#### SQA Unit and Group Award Costs for Higher National Qualifications

All SQA Higher National qualifications are subject to an administration fee as follows:

- HN Unit £14
- HNC Group Award £114.25
- HND Group Award £137.50

Students undertaking individual Higher National units on a stand-alone basis must pay the additional HN unit fee at time of booking.

Students undertaking an HNC/D through Distance Learning must pay the Group Award charge when booking the final unit of the qualification or earlier if preferred. Students will then receive a Group Award Certificate on completion of all required units.

For all part time HNC/D courses, which are typically campus or centre based, this charge is included in the Year 1 cost of the course.

### Miscellaneous

Examination entry fees may be payable for certain courses later in the session. Details are available from the class tutor.

A charge may be made for materials used by students on part-time programmes.

### IMPORTANT BOOKING INFORMATION

Courses are offered subject to sufficient numbers of bookings and the availability of resources.

The College reserves the right not to run courses where numbers are insufficient or where resources are not available.

A course fee is payable upon booking and this should be confirmed with the College at this time. Fees are only refundable up to 14 days before the course starts and if the course does not run.

If you do take up a place on a College course, at the start of the course you will be asked to enrol. By completing the enrolment you will enter into a contract with the College and be bound by the North East Scotland College Standard Terms and Conditions of Study.

### ADDITIONAL INFORMATION:

#### For Asylum Seekers/Visa holders with restrictions

If you have any restrictions on taking up employment or seeking benefits in the UK, then you may not be eligible to make an online application.

If you are not sure, please supply a photocopy of your most recent Home Office documentation (or stamp on your passport), confirming your status to remain in the UK, along with your application.

#### For Forces Personnel

Under the temporary non-resident arrangements, forces personnel are treated as being resident at the establishment where they are based. If they are ordinarily resident\* in Scotland but are serving overseas, they would be eligible.

\* Ordinarily resident means that you live in Scotland year after year by choice, apart from temporary or occasional absences such as holidays or business trips. Living here totally or mainly for the purpose of receiving full-time education may not count as being ordinarily resident.

If you are not a UK national, you must be settled in Scotland (as set out in the Immigration Act 1971) immediately before the date on which you made your application.
